

Yeager's Sporting Goods Limited lifetime Firearms Warranty

Effective November 1st, 2014 Yeager's is offering a FREE Limited Lifetime Warranty on every new and used gun we sell with the exception of consignments or non-functional collectables.

This warranty is limited to defects in materials and workmanship and does not apply to abuse, misuse, or other owner-caused failures of a firearm. Nor does it cover normal wear and tear resulting from the use of the firearm. It does not cover accessories or other add-ons such as telescopic sights.

Over-the-counter replacements will occur only with the consent of the manufacturer or supplier. Otherwise, Yeager's will have the firearm repaired, at our expense, by the most expedient means available and returned to the owner in good working order.

If the firearm cannot be repaired, the owner will receive full purchase price in store credit, for selection of another firearm or other merchandise, or a full refund of the purchase price if the original receipt is presented at the time of return.

This warranty is extended only to the original purchaser and is non-transferable. Original receipt must be presented at time of return.
